Ricotta

Developed in collaboration between designer and manufacturer, Ricotta is the first of the distinctive lighting products by Simone LeAmon for Rakumba Lighting. Initiating the Rakumba design collaborations in August 2010, we are committed to developing new product ideas with the best design talent and manufacturing capabilities in Australia.

Simone LeAmon is a leading Australian artist and design practitioner.

Recognised for her unique product designs, hand-crafted editions and art works, Simone's designs are wonderfully evocative, exploring the role of story telling through process and material.

Simone LeAmon's designs and limited edition works are exhibited in leading showrooms, galleries and museums around the world. Exhibitions include Prototyping: Making Ideas, JamFactory, South Australia (2011) and Freestyle: New Australian Design for Living, Milan Triennale (2008).

In 2009 Simone was the recipient of one of the most coveted accolades in Australian design – the Cecily and Colin Rigg Contemporary Design Award for design excellence in seating, presented by the National Gallery of Victoria. Widely published, Simone's designs for lighting, furniture, interiors, jewellery and motorcycle apparel have appeared in global magazines. In 2007, Phaidon Press UK nominated Simone as one of the world's most exciting up-and-coming designers in their publication &fork.
